

# RED PALLET

**New REPAIR** program by  *Airline*

Airline's **Red Pallet Program** is an easy way to schedule your repair pickups and move on with your day. Simply visit [redpalletrepair.com](http://redpalletrepair.com) on your phone, tablet or computer. Fill out our simple form to provide some information about your repair needs and hit submit. You will be contacted promptly with details regarding the pick up of your components. **It's that simple!**

#### Use Red Pallet to:

- Hold items for repair
- Communicate rush pick-ups
- Receive 24-hour rush service
- Receive fast quoting and turn-around

Let **RED** fix it **RIGHT** [redpalletrepair.com](http://redpalletrepair.com)
