We’re here to help you.

For your convenience, we provide:

- **E-Commerce Website** with pricing and availability.
- **Same Day Shipping** on in-stock orders placed before 3:30pm EST.
- **V.M.I. (Vendor Managed Inventory)**: We’ll physically monitor & replenish, as needed, your facility’s inventory levels of the products we carry.
- **Customer Part Number Program**: Place orders using your own part numbers which are cross-referenced to the corresponding manufacturer’s part number.
- **cXML/PunchOut with OCI**: B2B e-procurement solutions.
- **E.D.I. Trading Partner Program**: Uses electronic data interchange standards to conduct business transactions such as order processing and billing.
- **E.F.T. Electronic Funds Transfer**: Provides for electronic payments and collections. EFT is safe, secure, efficient, and cost-effective.
- **Packaging to Meet Your Needs**: Airline can provide kitting, custom packaging, bar-coding, QR code product and bulk identification, bulk packaging, preparation for overseas shipments, or other specialized handling to meet your requirements or your customer’s specifications.

- **Red Pallet App**: The easy way to schedule repair pickups. Simply visit redpalletrepair.com & submit the form. You will be contacted promptly with details regarding the pickup of your components. For more details call our Service & Repair Department at (215) 638-4700.
